Thank you for your interest in gardening in the Community Garden this growing season. Plots are available on a first come, first serve basis to individuals, families and charitable or educational ventures; more than one plot can be reserved by the same person. All plots measure 4' x 10' accommodating a wide variety of veggies (or smorgasbord of just a few kinds). Gardeners subscribing to adjacent plots may combine these plots into larger beds.

Members and plot subscribers need not be residents of Kent. However, the Kent Land Trust reserves the right to limit plot subscription to Kent residents depending upon demand. The garden will open for planting in May.
